WE, THE STUDENT BODY OF
DINUBA HIGH SCHOOL,
IN THE YEAR 1972,
DEDICATE THIS YEARBOOK
TO
WILLIAM L. CASADAY

Mr. Casaday was born in Winona, Mississippi, on November 30, 1906. After graduation from high school, he earned a Bachelor of Arts Degree in 1929 from the University of Mississippi.

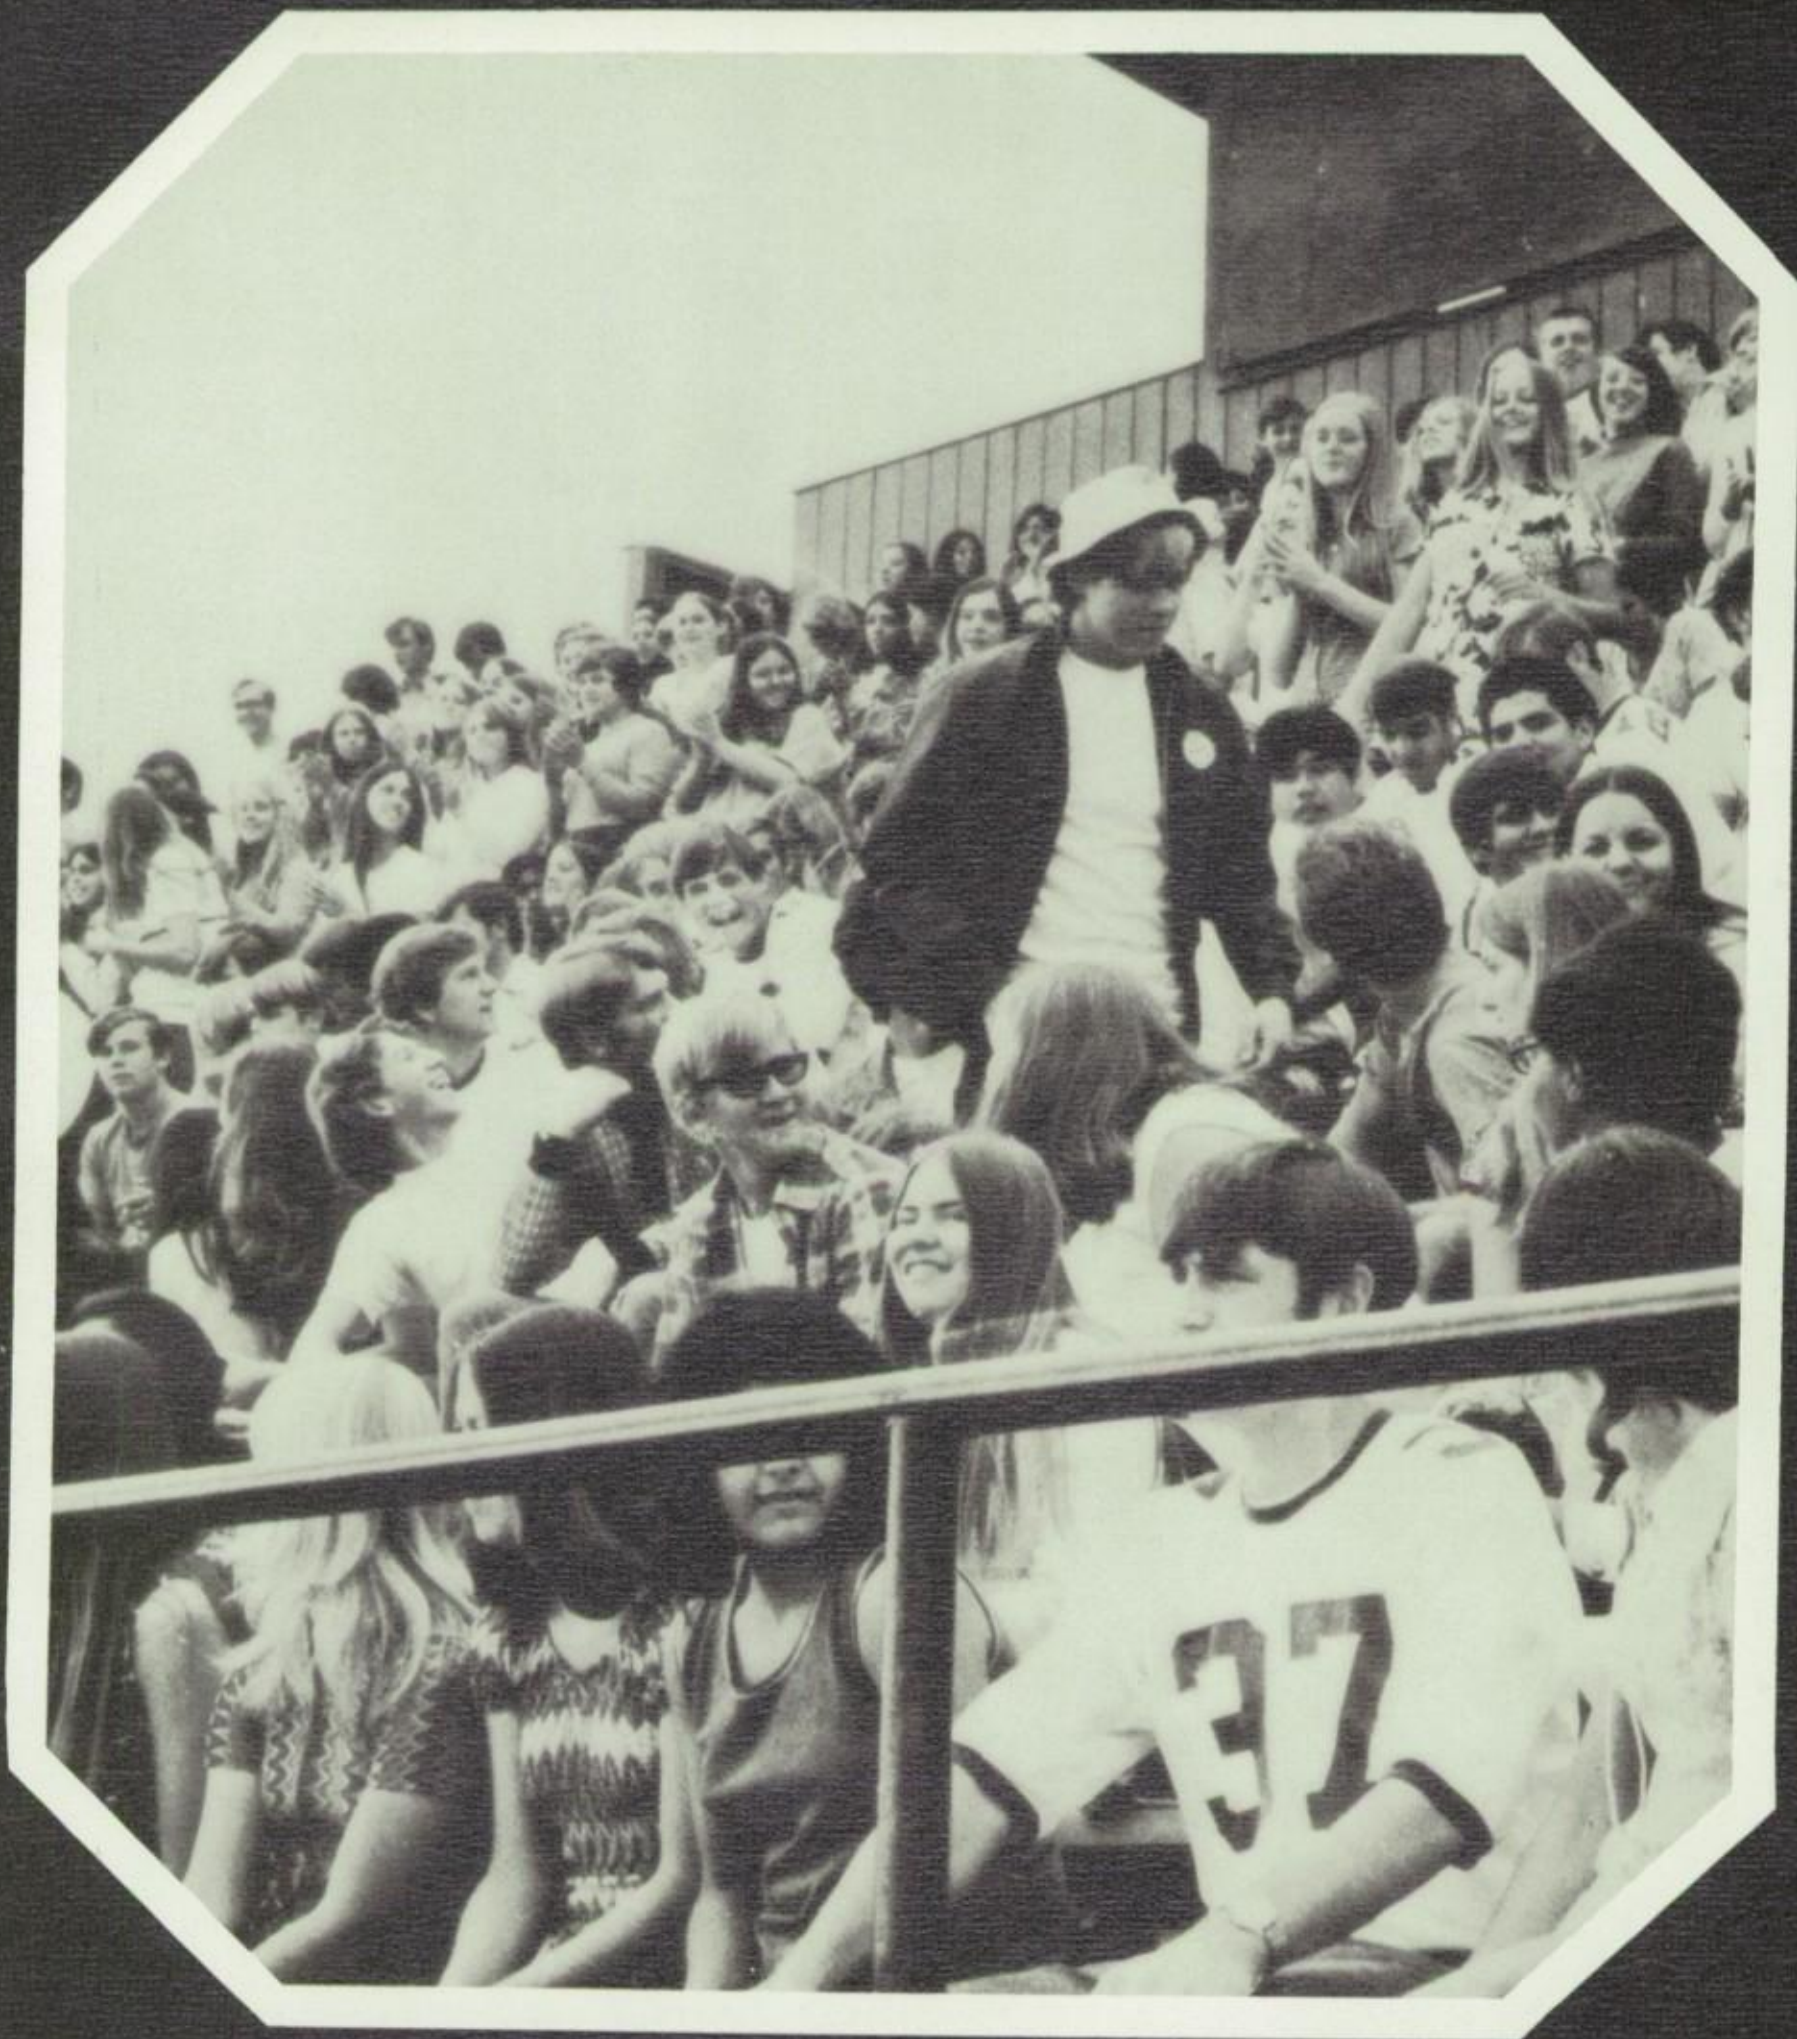

Mr. Casaday taught approximately six years before coming to Dinuba, California, where he decided to spend the rest of his active working years as a teacher. He began his teaching in the Dinuba Elementary School District, and became a part of the Dinuba High School faculty in September, 1963. He has taught in the Special Education Department since that time.

The students, faculty and administration have been appreciative of the efforts of Mr. Casaday, whose patience is something to be admired. His interest in young people has always been evident.

Mr. Casaday is retiring from teaching in June of 1972.

As you go into retirement, Mr. Casaday, the school family wishes to dedicate this 1972 Delphic Echoes to you. We hope you have many years to enjoy your leisure time.

ALBERT WELFING

Foreign Exchange Student

Hi! Let me introduce myself to you: I am the AFS exchange student at D.U.H.S. My schedule consisted of civics, U.S. history, C.P. science, advanced art, mixed chorus, P.E. and vocal ensemble. My hobbies are playing the piano, painting, debating, singing and tennis.

I came from the Netherlands, where I have already graduated. The Netherlands is a tiny country, about the size of North Carolina, with a population of 13,000,000: the country of windmills, tulips, and wooden shoes. The main sources of income in the Netherlands are trade and industry. My home town is called Amersfoort, with a population of 80,000.

My dad is a mechanical engineer and my mother has been a home economics teacher.

During my stay, I lived with the Jack Worthly's and their daughter Cheryl, who helped so much in making my stay a very good and meaningful one.

Many thanks to all people who made this year absolutely great!

Albert Welfing

IF

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss. . .

Rudyard Kipling

PRINCIPAL'S MESSAGE

Dear '72 Graduates:

Now that you are graduating, I will attempt to pinpoint the highlights of your senior year and those happenings in which you were involved.

Over 200 of you enrolled in September, anticipating graduation. Needless to say, not all of you finished. Those of you who are graduating have found this a very interesting and productive year. You were the first senior class which experienced a thousand enrollment at Dinuba Union High School. Some of the classes were crowded, the schedule was changed at the end of the first quarter at your request, and it seemed that the attitude of the school was very good as the year went by.

Academic achievement of your class was high and space does not permit the details. It is anticipated that many scholarships will be earned by members of this class. It is also expected that a majority of the class will enroll in college and be successful.

You will be going on into a world of change. You are living in an exciting era of the space age and will see many wonderful things happen to the inhabitants of this world in which horizons are becoming smaller as the years go by.

The faculty and administration at Dinuba Joint Union High School are proud to have been a part of your life in preparing for the future outside world.

Best wishes,

Clinton Cates

PRINCIPAL
Mr. Clinton Cates

The Class of 1972 is being challenged as no other class in the history of Dinuba High School has. Yours is the awesome responsibility of being the first 18 year olds who are eligible to vote in a Presidential election. The training in decision making you have received here will stand you in good stead. The influence you wield in the 1972 elections will have a lasting effect on the future of your country and mine. We are sure that you will use your newly given franchise wisely and discriminately.

In your future also is the returning of peace to the world - the winding down of our participation in South East Asia, the improving of Arab - Israeli relations, that nations are negotiating instead of fighting. All these things are in your favor.

We wish you god speed and good fortune in what promises to be a bright future.

Bill Asher
Vice Principal

To be associated with the staff and students of Dinuba Union High School is a real pleasure. I express my thanks to all.

Having grown up in Dinuba and graduated from Dinuba High School gives me a special interest in this school and all who are a part of it.

To work with Dinuba High students is the "greatest". I know that part of my job includes that of helping young people assume responsibility for their actions and that some of the decisions made are not always accepted or appreciated by you. But it is my sincere desire that with maturity you will have understanding.

When the time comes for you to terminate your school days, whether it be high school or college, you must choose a way of life. This probably will be one of the most important decisions you will make. I hope that each of you can find as much pleasure and satisfaction in your choice as I have found in working with you.

Best wishes to the Class of '72!
